What are some things you can tell me about David?

Background of Israel

-Saul had everything from a human perspective you would want in a king

1 Samuel 15:26

-However, he was ultimately not faithful to God

1 Samuel 16:1

-God tells Samuel to go to the house of Jesse and find the next king

1 Samuel 16:6-7

-Eliab was the first born and must have been an impressive looking dude

-However, this is the mistake they had just made with Saul

*The biggest thing God is concerned about is the heart, character and passion for the Lord

-David wasn't a bad looking guy but he wasn't impressive

-He was small

-He was a shepherd

-Acts 13:22 - he was a man after God's own heart

*God is willing to train us and equip for what he's calling us to do. We just have to be people that are willing to follow him
