

## Admonish One Another

All this stuff we have been learning requires maturity  
Knife analogy  
Tool not a weapon

Need to be very careful before you correct someone

Romans 15:14

Two qualifications before we correct

1) full of goodness

-make sure your relationship with Christ

-The sins we most easily see in others are the ones that are most prevalent in us

\*What is your motive?

2) Filled with all knowledge

-we have to know the Bible

-we can't correct people based on what we think

-it must be based on clear Bible teaching

Why admonish?

Colossians 1:28-29

We can't grow fully on our own

God's grace and accountability from other Christians are the tools we've been given

-accountability in my life (formal and informal)

\*we all have the opportunity to help each other grow

\*we need to make sure we are doing it in love and gentleness

Do you have Godly people around you that you are allowing to hold you to a Biblical standard?
