Please Note: Momentum ground transportation is scheduled to maximize the number of passengers while minimizing the number of trips to a single airport. After all ground transportation requests are received by the June 1<sup>st</sup> deadline, the Momentum office will notify each group about approximate pick-up and drop-off times for these shuttles. If these schedules are not acceptable to your group, you may wish to consider booking your own ground transportation.

**Please return this form to [registrar@buildmomentum.org](mailto:registrar@buildmomentum.org) to arrange your transportation.**
