

The purpose of Momentum Youth Conference is to train and equip students to be bold followers of Jesus and intentionally share Him with others.

Momentum Youth Conference is an annual national youth conference for students 6th – 12th grades. Each year, we gather more than 100 churches from across the United States (and Canada!) who bring more than 2,000 students and their youth leaders to spend the 'Best Week of Summer' deepening their faith in Jesus.

Momentum Youth Conference has ministered to youth since 1968 allowing students to develop and deepen their faith in Christ. Students are trained and equipped to be bold followers of Jesus who intentionally share Him with others.

Each summer, we welcome like-minded organizations who share faith in Jesus, belief in the inerrant Bible, and desire to see students live on mission to partner as Exhibitors and Sponsors. We believe our conference is a unique avenue to reach a large target audience in one place, while partnering with us for the good of the next generation.

We invite you to partner with us as an Exhibitor at Momentum Youth Conference 2023, taking place July 18th – 23rd at Indiana Wesleyan University in Marion, IN. Return the form enclosed in this packet to youthconference@buildmomentum.org by May 15, 2023 to reserve your space!

Find out more at buildmomentum.org/conference and please reach out with any questions to youthconference@buildmomentum.org.

Sincerely,

Kelci Rayl

Associate Director of Youth Conference – Program and Participants

Exposure Opportunities

Exhibitor Booth Space

Momentum Youth Conference is hosted on the beautiful Indiana Wesleyan University campus in Marion, IN. The campus' large Student Center hosts the Momentum Office, Momentum Store, cafeteria where students have their meals, coffee shop, movie theater, game room, and indoor social areas. The student center becomes the hub for students through the week of Momentum Youth Conference. Exhibitor tables are located down the primary hallway which runs the length of the student center. This is a busy walkway for students, including where they line up for meals, thereby offering the highest level of exposure to exhibitors.

Exhibitors are welcome to be at their booth any time throughout each day, however, it is recommended that exhibitors prioritize times when students are coming and going from meals, and throughout the afternoon for the best opportunities to interact with students.

Donut Drop

Exhibitors who sponsor a Donut Drop can set up a temporary exhibit (one table provided) in the Quad on their assigned morning from 8:25a.m. to 9:25a.m. to hand out donuts (800 donuts provided with the opportunity). Each morning many students gather in the quad for prayer from 7:30a.m. to 8:30a.m., so this allows Donut Drop exhibitors to interact with those students after the prayer time, as well as many others who are coming and going for morning activities. Each Donut Drop exhibitor will be featured in the event booklet and announced from the stage during the previous evening's main session. Only four opportunities are available as each Donut Drop exhibitor will have exclusive exhibitor rights to the quad on their assigned morning.

Exhibitors may set up their table quietly at 8:15a.m. but may not distribute donuts or other materials until prayer is finished so as not to distract from that holy exercise. Donuts will be provided and delivered to the table by 8:20a.m. All other promotional materials must be provided by the exhibitor (no food or drink outside of the provided donuts per campus policy). Exhibitors must end handouts at 9:25a.m. to give students time to move to their first session.

Interactive Events

Exhibitors have the opportunity to sponsor interactive events in two-hour blocks at different high-traffic locations on campus to give your organization visibility and the opportunity to interact with a large segment of the students and their youth leaders. Exhibitors can suggest interactive events for these spaces for approval. The exhibitor is then responsible for providing all equipment and manning the event and will have exclusive exhibitor rights to the space. The exhibitor will be recognized as sponsoring the event in the conference booklet.

Outdoor Events In The Quad - The Quad is one of two epi-centers where students congregate during free time between morning and evening sessions (the other is the student center). Numerous portable games are already provided in the quad (a gaga pit, nine-square-in-the-air, hantis tables, and corn hole). Exhibitors may sponsor and provide Interactive Events for one or more two-hour blocks between 12:30pm and 7:00pm any day of the conference.

Indoor Events In The Commons Of The Student Center - The Commons of the Student Center is an open room that shares a glass wall with the dining hall where all students and leaders eat lunch and dinner. It includes a raised stage and will be set

tables and chairs to see 350+ people. Exhibitors may sponsor and provide Interactive Events in this space for the two-hour block of 5:30pm to 7:30pm on Friday or Saturday. Indoor Events In The Globe Theater Of The Student Center – The Globe Theater is a movie theater in the Student Center located directly across from the dining hall where all students and leaders eat lunch and dinner. It seats 225 in theater seating. Exhibitors may sponsor and provide Interactive Events in this space for the two-hour block of 5:30pm to 7:30pm on Wednesday, Thursday, Friday, or Saturday.

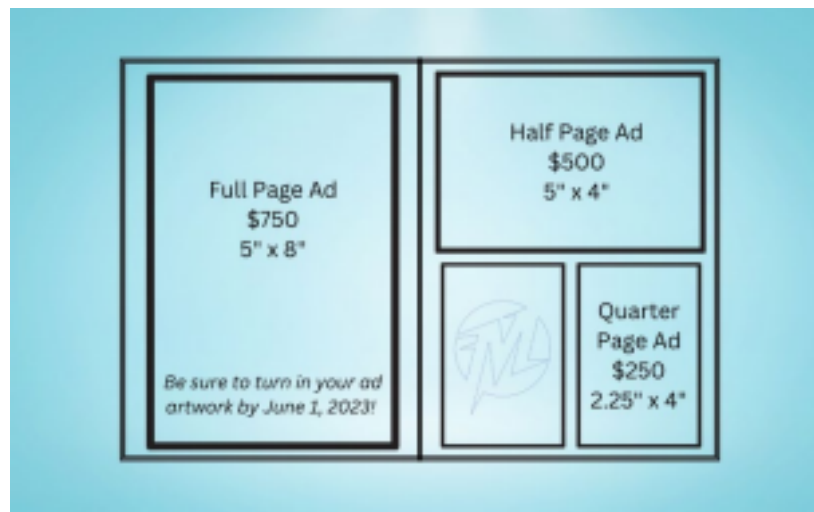

Indoor Events In The Athletic Center – Exhibitors may sponsor and provide Interactive Events on the basketball court of the Athletic Center for the two-hour block of 5:30pm to 7:30pm on Wednesday, Thursday, or Friday.

Floor Graphics

Floor Graphics are 5' x 3' and placed in the outdoor Quad. The Quad is a high-traffic outdoor space between the Student Center and the Chapel (where all main sessions are held). It is where students often congregate throughout the day for open play games, morning prayer, and socializing. Momentum Ministry Partners will provide printing and placement of these graphics.
